ПАРКОВКА

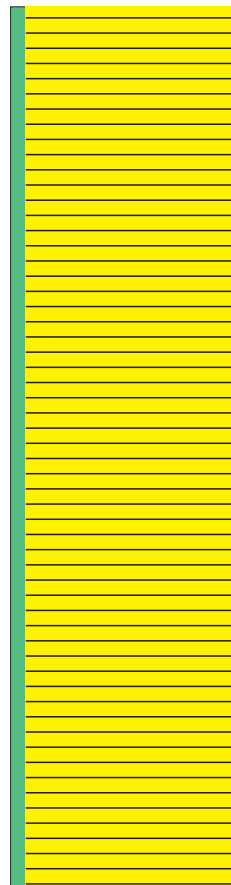

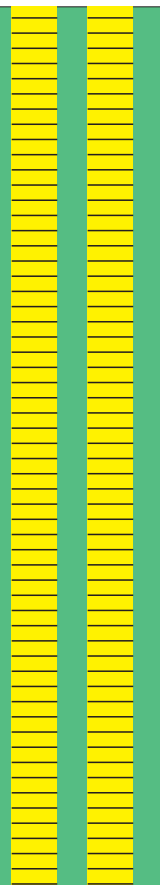

Exhibition and parking area. The top part features a grid of blue rectangular stands. Below this is a parking lot with a blue 'P' sign and several rows of small blue squares representing parking spaces. A small blue building with a red roof is located between the stands and the parking lot.

Technical demonstration area. It consists of two rows of agricultural machinery icons, including tractors, combine harvesters, and harvesters, arranged on a light blue background. A light green horizontal strip separates the two rows of machinery.
